MILLENNIUM
CHALLENGE CORPORATION
UNITED STATES OF AMERICA

PRE-SOLICITATION CONFERENCE

RECONSTRUCTION OF EXISTING CUSTOMER SERVICE CENTER OF THE
LIBERIA ELECTRICITY CORPORATION

The United States of America, acting through the Millennium Challenge Corporation (MCC) and the Government of Liberia (GoL) have entered a Millennium Challenge Compact for Millennium Challenge Account assistance to help facilitate poverty reduction through economic growth in Liberia (the "Compact"). The Government, acting through the Millennium Challenge Account-Liberia (MCA-Liberia), intends to hold a Pre-Solicitation Conference followed by Site Visit with interested contractors to inform them about the up-coming requirement for the Reconstruction of Existing Customer Service Center at Waterside of Liberia Electricity Corporation.

The Scope of Work comprises but not limited to demolition, reconstruction and refurbishment of the existing Customer Service Center, complete with all its associated water supply, sanitary, roofing and land scaping works as per the detailed rehabilitation/construction drawings, scope of works and specifications provided in the Bidding Document. The approximate building floor area is 4,200 sft. The purpose of the reconstruction and refurbishment is to provide enhanced services to customers.

The tasks to be performed by the Contractor shall include, but not be limited to, the following:

- Obtaining all required permits, including construction and environmental permits.
- Demolition of existing structure as indicated on the detailed construction drawings or demolition plan.
- Construction of new roof, block walls, columns, beams and aluminum partitions complete with all finished works, Commissioning and Testing; As-built Drawings; Preparation of Building Maintenance Manual including fire and safety; Remedy of defects during the Defect Notification Period (DNP).

Reconstruction of the Customer Service Center shall be as per detailed design & construction drawings and specifications, which will be provided by MCA-Liberia.

The Pre-Solicitation Conference will include presentations on the details of the facilities to be demolished and reconstructed, on the technical qualifications and experience required of the contractors and on important provisions of the bidding documents that will be used to request bids. After the conference, a site visit of the existing Customer Service Center at Waterside will be organized for the participants to understand the site conditions.

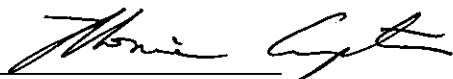

The Pre-Solicitation Conference will be held on **August 20, 2019** at **LEC Headquarters**, Waterside, Monrovia, followed by Site Visit of the existing Customer Service Center within the LEC Compound.

MCA-Liberia now invites interested contractors to express their interest in participating in this Pre-Solicitation Conference and Site Visit. In your response, please provide the name of your firm and of the representative who will attend, including email address and mobile phone number. In-person attendance will be limited to only two representatives from each firm. MCA-L will then contact you with details on the schedule and provide an agenda of the topics that will be addressed.

To confirm your interest in attending the Pre-Solicitation Conference, please send an email to the address below by **August 06, 2019**.
